**Library 10** is a co-requisite of **English 1A** . It is a self-paced class, involving both a printed handbook and online activities. This course will help you develop your research skills and learn to find and evaluate different sources of information.

-- Self-paced means that YOU are responsible for keeping track of due dates and asking for help.

-- The skills you learn will help in all your classes, especially if you find sources you can actually use!

-- Start your work early and your research paper will be easier later!
